Speakers' Bureau

Let us do the work for you.

The Seminole County Speakers' Bureau is available to provide highly professional and knowledgeable public speakers for your civic organization, church, club, Home Owners' Association (HOA), rotary meeting or school.

Our employees have expertise in a variety of areas and are available to talk with you about important and interesting topics that affect you and our community. There are more than 100 topics, including animal care, financial matters, health and wellness, gardening and water conservation. For a detailed description of topics, please visit the County Manager's page on the County's Web site, www.seminolecountyfl.gov/cm/sbureau

This service is offered FREE of charge to the residents and business owners of Seminole County. To request a speaker, select a topic, and either fill out the request form located on our Web site, fill out the form on the brochure and return it, or call (407) 665-7224. Please make arrangements at least three weeks in advance. We look forward to serving you.
