Facts About the Penny Tax for Oviedo Area Voters

"The Penny Tax, unlike property taxes, is not levied against Seminole County residents and businesses only. Twenty percent of the Penny Tax revenues will be paid by visitors to Seminole County, spreading the cost to construct and maintain the infrastructure to all those who use it."

- Commissioner Bob Dallari

1991-2001: In addition to the construction of 70 miles of roadways, revenue from the Penny Tax from 1991 to 2001 was also used for construction of the recently completed SunRail project within Seminole County. The Penny Tax cannot be used for SunRail operations.

2001-2011: Approximately $140 million in grant funds were awarded to Seminole County because of the sales tax. That's the equivalent of another two and a half years of the Penny Tax.

"I encourage you to vote in this important Special Election on May 20th."

- Sheriff Don Eslinger
