# Facts About the Penny Tax for Winter Springs Area Voters

*"The voters have approved a penny sales tax twice; with majorities of 60% in 1991 and 72% in 2001. Those voters agreed that a penny sales tax should pay for needed roads, schools and infrastructure. History has proved that to be correct. On May 20, the voters will have the opportunity again to decide if a penny sales tax should fund those needs."*

*- Commissioner John Horan*

**1991-2001: In addition to the construction of 70 miles of roadways, revenue from the Penny Tax from 1991 to 2001 was also used for construction of the recently completed SunRail project within Seminole County. The Penny Tax cannot be used for SunRail operations.**

**2001-2011: Approximately $140 million in grant funds were awarded to Seminole County because of the sales tax. That's the equivalent of another two and a half years of the Penny Tax.**

*"I encourage you to vote in this important Special Election on May 20th."*

*- Sheriff Don Eslinger*
