Regulations for the erection / placement of signage:

- Signs may not be placed on any public property or road right-of-way, nor attached to any utility pole or tree within the right-of-way.
- Signs placed on private property should be erected securely to prevent displacement by heavy winds, and so placed as not to interfere with traffic visibility.

Instructions for obtaining a refund of the deposit:

- Signs must be removed within 14 days of the termination of the campaign or when the candidate is no longer a viable candidate. The \$100.00 deposit will be refunded by County Finance upon receiving verification that all the candidate's signs have been removed within the 14 day time limit.
