### What do you love most about the game of tennis?

- The fact this is a “Sport of a lifetime”, not only providing a cardio exercise, but also long lasting friendships are found on the tennis courts. I like the fact this is an easy sport to buy equipment; once you have a tennis racket, a good pair of shoes and tennis balls you just need to add a court then your off to playing.

### Fun Fact!

- Craig loves to travel and has been to numerous international destinations, including: Australia, Mexico, Canada, France, England, and Scotland.
